3. True

4. CASE Collaboration and Sharing in Education.

CASE is funded by the European Union under the PEACE IV programme and is targeted at primary and post-primary schools in Northern Ireland and the Border Counties. The focus is for schools with no previous experience or limited previous experience of providing shared education opportunities for children and young people.

NSSI Network for Shared School Improvement

A Teachers' Professional Learning Programme currently being piloted by Signature Project schools which involves teachers developing Professional Learning networks.

SESP The Shared Education Signature Programme

The SESP aims to improve the educational and reconciliation outcomes through schools working collaboratively, by further developing and embedding Shared Education in schools that are already engaged in its delivery.
